

Graphic Products GCSE Coursework Page Check

Objective 1 – Design Brief

Page 1 (2 lessons) – Theme Sheet that has

- Task written out
- Advantages
- Disadvantages
- Keywords
- Possible ideas
- Research – areas that you need to think about

Page 2 (2 lessons) - Spider Diagram that includes the headings

- Market and Users
- Durability
- Presentation
- Materials
- Construction and Manufacture
- Design
- Environment
- Size
- Theme Specific
- Cost

Page 3 (1½ lessons) – Market and User grid and comments about your chosen market

Market/ User	Comments	Choice

Write a few sentences explaining why you have chosen the market that you are going to aim your product at.

Page 4 (1½ lessons) – Situation and Design Brief outlines the project. The **Situation** explains briefly how the project came about and the **Design Brief** outlines what you are going to make. It needs to mention that it will be suitable for **batch production** and be able to be made into a **marketable product**.

Deadline is Friday 27th June 2008
